PETITION TO ACCEPT COLOR DRAWINGS

Sir:

Applicants hereby petition to have Figures 1 and 7 accepted in color as part of the drawings.

In reference to Figures 1 and 7, the specification refers to two distinct populations of expression patterns (see page 11, line 31 and page 14, line 4), those that are above the mean are red, and those below the mean are green, which are not visually discernible in black and white. Applicants enclose 3 sets of color drawings.

An amendment to the specification to insert the language required under 37 CFR § 1.84(a)(2)(iii) has not been provided because the required language is already resident within the specification as originally filed (see page 11, line 28).

Applicant encloses herewith three sets of color drawings as required under 37 CFR § 1.84(a)(2)(ii).

Please charge Deposit Account No: 19-3880 in the name of Bristol-Myers Squibb Company in the amount of \$130 for payment of the petition fee. An additional copy of this paper is here enclosed.

The Commissioner is hereby authorized to charge any additional fees under 37 CFR § 1.17 which may be required, or credit any overpayment, to Account No. 19-3880 in the name of Bristol-Myers Squibb Company.

Respectfully submitted,
